

HC900

NEAR-BOILING + COLD FILTERED WATER TAP

The InSinkErator HC900 Instant Hot Water Tap dispenses boiling filtered water from an easily installed under-sink hot water tank, as well as filtered drinking water.

The unit produces the perfect temperature for making hot drinks, speeding up the preparation of pasta or vegetables, cleaning dishes and a host of other kitchen tasks.

FEATURES & SPECIFICATIONS

- Boiling (98°C) filtered water, and filter cold water.
- Safe, filtered hot or cold drinking water.
- Child-Safe spring loaded hot water lever.
