SPECIFICATIONS

- NeoTank™ is only about the size of a toaster, making it easy to hang on the back wall under your kitchen bench with minimum fuss.
- The 2.5-litre capacity is easily sufficient for most kitchen tasks while reducing the heating requirement and saving you energy costs.
- Finger-tip control with a touch panel display for precise temperature adjustment (89°C-98°C).
- Able to run on a standard electrical circuit drawing 5.6AMPs with an element size of 1.3KW.
- Quiet, energy-efficient operation.
- Easy installation with tool-free connections and dry-start protection.
- Standard 3-pin plug that plugs straight into a wall socket
- Filtration System - 1 Year Warranty (excluding replacement filter cartridge)

Easy to install under sink tank & water filter
