in sink erator®

Brush'n'Push™

An innovative new sink tool that combines a dish brush with a pusher to help push food waste into a food waste disposer.

Strong bristles for great dish cleaning

The Brush'N'Push™ bristles are made from high quality nylon able to effectively clean dishes.

Design allows brush to stand up

At hand on your bench-top when you need it.

Thick handle for non-slip grip

The thickness of the brush allows for easy use.

Dishwasher safe

The use of high quality materials allows the Brush'N'Push™ to be cleaned in the dishwasher.

Color change indicates how far to push food waste into the disposer

The color change indicates a safe distance to push the Brush'N'Push™ into a food waste disposer.

Rubberized to grip food waste

Over-molded rubber helps grip food waste being pushed down the Food Waste Disposer.

Dimpled end to grip food waste

Dimples on the base helps grip food waste being pushed down Food Waste Disposer.
